DIVISION OF VITAL STATISTICS

Registrar, Vital Statistics
Department of Public Health

Boise, Idaho

Dear Sir:

I am writing on behalf of Mrs. Gertrude Glover, of this city, who has recently corresponded with you regarding the Death Certificate of one Hayes M. Coleman.

In your letter of June 2, 1952, addressed to Mrs. Glover, you informed her that the above Death Certificate could be changed only upon affidavit of the undertaker who filed the original certificate. It was impossible to obtain such an affidavit due to the decease of the undertaker some time ago, and the subsequent destruction of all his records.

I am, therefore, enclosing the affidavit of Mrs. Glover, the former wife of the decedent, and of one Mrs. Scoles, the sister of the decedent, which it is hoped you are able to accept in lieu of an affidavit by the undertaker.

The correction of the errors on this Death Certificate is quite vital to Mrs. Glover, as it must be used to prove her American Citizenship. You will note that the Death Certificate states that the decedent was single at the time of his death; whereas, in fact he was divorced, having formerly been married to Mrs. Glover. It is upon this marriage to the decedent that Mrs. Glover's American Citizenship depends. Therefore, I am sure you can see the extreme importance of correcting the Death Certificate.

If these enclosed affidavits are insufficient to enable your office to make such corrections, would you kindly advise me if there is any other possible way in which to have the Death Certificate corrected, other than by affidavit of the undertaker.

Very truly yours,

Warren F. Gardner
